"Which shall it be? I looked at
John; John looked at me." Which will
it be, McChesney or Stanley? The
writer believes that the race will be
very close and that it is merely guess-
work to state who will win. With Mc-
Dermott out he would wager that
Stanley would be first in the race, but
then McDermott is not out and is
not going to get out, so there you
have it. Time alone will tell. In this
county both sides seem to have
money and we presume the other
munitions of war. There are many
voters in the county who have to be
"persuaded," to the county's discred-
it, he said. While it looks like the
majority of the standing up vote is
for McChesney the one best bet to us
is that the side which gets the big-
gest end of the so-called "floating
element" will win in Lincoln.

It is unfortunate that Judge John
Sam Owsley could not be in his dis-
trict during the closing hours of the
hot campaign in which he is making
the race for Commonwealth's Attor-
ney, but fate decreed that he should
not. His father-in-law, Mr. James W.
McElwain, died at Franklin Thurs-
day morning and he of course at-
tended the burial. It is sincerely hop-
ed that his absence was not taken ad-
vantage of, but that his friends
worked the harder because he was
necessarily absent. His Lincoln coun-
ty friends are putting in the day for
him visiting various sections of the
district and are doing all in their
power to make his majority on the
morning as large as possible.

The order of Macabees has gone
all the other fraternal orders one
better. The others will not take in a
candidate for insurance who is ad-
dicted to strong drink. The Maca-
bees have passed an order that when
a man who is already carrying insur-
ance becomes an habitual drunkard he
must forfeit his insurance and get
out of the order. Looks like the time
is coming when the man who in-
dulges won't be able to do anything
except drink, and when State-wide ar-
rives he can't do that. "Pussional
privileges" be darned.

"The democrats of Lincoln county
are tearing their clothes for John
Sam Owsley for Commonwealth's At-
torney," says the Danville Advocate
editorially. You bet your boots they
are and they will continue to do so,
so to speak, until four o'clock to-
morrow afternoon. And there's a
son: Judge John Sam Owsley is the
man for the office, is a man among
men and very close to the hearts of
his home people. They're all for
Judge John Sam over here, brother.

During a temperance speech at
Shelbyville Rev. George R. Stewart
was the victim of a peculiar and pain-
ful accident. Growing excited and
gesticulating with much emphasis he
brought his right arm down with
much force. A glass tumbler caught
the blow and was smashed to smithere-
ens. His hand was so badly cut that
several stitches had to be taken to
close the gash. It isn't good some-
times to gesticulate too freely.

It is refreshing to read those edi-
torials that the Advocate is printing
now. They are full of "pep" and
are most timely. It does us good to
see the editorial writer of that pa-
per resume operations after his long
silenice.

The Richmond Climax is so hot
for James B. Black, of Barbourville,
for lieutenant governor that it prints
two pictures of him on its last edi-
tion. When the Climax goes a-cattin'
it goes a-cattin'.

It comes off tomorrow, dear read-
er. May we never see just another
such one.

Primary, Then The Fair.
On account of the interest man-
ifested in the primary of tomorrow,
the Knights of Pythias thought it
best to keep quiet on the fair to be
held here Aug. 18, 19 and 20, un-
til it is over, and we think it was a
good idea. Monday a regular ad-
vertising campaign of the big event will
begin and every town in this section
will be flooded with bills, posters,
etc., while the farm houses will be
supplied with interesting literature
telling of the good things in store
for all who attend. The directors and
other officers of the fair have reason
to feel that the fair is going to be a
success from every standpoint and are
working to that end. Remem-
ber the date and come.

Owsley Boosters.
Stanford friends of John Sam
Owsley, one hundred strong, visited
Danville en route home from the
Harrodsburg Fair, where they went
to boost the candidacy of Mr. Ows-
ley in his race for Commonwealth's
Attorney. They also visited other
points and carried with them a
brass band. There were twenty-five
automobile loads. The boosters were
organized and proceeded on their
way without the knowledge of Mr.
Owsley.—Danville Advocate.

Something to Learn.
"Does your daughter play the piano
by ear?"
"No," replied Mr. Cumrox, "she
uses both hands and feet. But I don't
think she has learned to use her
ears."

30,000 VOICES
And Many are the Voices of Stan-
ford People.

Thirty thousand voices—What a
grand chorus! And that's the num-
ber of American men and women,
who are publicly praising Doan's
Kidney Pills for cures of back
ache, kidney and bladder ills. They
say it to friends. They tell it in
the home papers. Stanford people
are in this chorus.

Here's a Stanford case:
J. T. Spoonamore, Whitley Ave.,
Stanford, says: "I was down with
my back and I couldn't stoop or lift.
The kidney secretions were too fre-
quent in passage and caused me a
great deal of annoyance. I tried a
dozen different medicines, but didn't
get any benefit until I began using
Doan's Kidney Pills. By the time
I had finished two boxes, I was cured.
Kidney trouble has never bothered
me since. Others of my family have
also used Doan's Kidney Pills and
have found them satisfactory."
Price 50c, at all dealers. Don't
simply ask for a kidney remedy—
get Doan's Kidney Pills—the same
that Mr. Spoonamore had. Foster-

Stanford Puts It On Paint Lick Boys.

In the most interesting game seen
at the local park this year Stanford
defeated Paint Lick by the score of
4 to 0. The fine pitching of Hall for
Stanford, coupled with the good play-
ing of his teammates, were the fea-
tures of the game. Paint Lick se-
cured three hits while the Stanford
boys got four. This ties up the
number of games won. It is hoped that
the tie can be played off here.

All Blood Disorders Quickly Driven Away

Astonishing Results With the Greatest Blood Purifier Ever Discovered.

Strength, Power, Accomplishment are all typified in S. S. S. Some blood disorders become deeply rooted in the glands and tissues, and the mistake is made of resorting to drastic drugs. These only aggravate by causing other and worse troubles. A host of people know this to be true. They know from painful experience. To get right down into where the blood is vitiated requires S. S. S. the greatest blood purifier ever discovered. This remarkable remedy contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutrient and the medicinal elements of this matchless blood purifier are just as essential to well balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food. Not only this, but if from the presence of some disturbing poison there is a local or general interference of nutrition to cause boils, carbuncles, abscesses and kindred troubles, S. S. S. so directs the local cells that this poison is rejected and eliminated from their presence. Then, too, S. S. S. has such specific stimulation on these local cells as to preserve their mutual welfare and a proper relative assistance to each other. In a very brief time S. S. S. has the reconstructive changes observed. All eruptive places heal, mysterious pains and aches have disappeared, and from head to foot there is a conscious sensation of renewed health. From the fact that S. S. S. is purely a botanical preparation, it is accepted by the weakest stomach and has great tonic influence. Not one drop of drugs or minerals is used in its preparation. Ask for S. S. S. and insist upon having it. And if you desire skillful advice upon any matter concerning the blood and skin write to The Swift Specific Co., 205 Swift Bldg. Atlanta, Ga. Do not allow some careless clerk to lull you into a false sense of security over something "just as good" as S. S. S. Beware of all counterfeits.

Rev. J. W. Hagin, who has been pastor of the leading Christian church in Covington for the past eleven years, going from the Christian church here, is doing a great work. He has seen the membership increase from 180 to over 550. When he took charge as pastor the congregation had a little church in an undesirable part of the city; now the meetings are held in a magnificent edifice recently erected at a cost of about \$60,000. The membership is an enthusiastic one and is growing larger and stronger daily. Dr. Hagin is more than pleased with his pastorate and says that he feels more at home in Covington than anywhere, but that it affords him an inestimable amount of pleasure to come back to Stanford, where he got his better half, and visit the good people every now and then. He will preach at the Christian church here Sunday morning and the many friends of the distinguished minister will flock to hear him.

Will Give Bible Lecture. Edwin P. Morrow, of Somerset, will deliver Sunday morning before the Glad Hand Bible class his lecture, "The Legality of the Trial of Jesus." Services will be held in the open space adjoining the classroom, 1952 Duker avenue. Special music has been arranged.—Courier-Journal. And what do you think of that?

MRS. BEAM TELLS OF HER ONE FEAR

Appetite So Ravenous She Is

Afraid Bill Will Be

Raised.

Louisville, Ky., August 5.—Mrs. Leon S. Beam, wife of the well-known traveling salesman, who resides with her mother in Bardonia, came to Louisville recently for the sole purpose of expressing her gratitude for the remarkable accomplishments of the new medicine, Tanlac.

She said:

"I have been frightfully nervous and so run-down. I was short of breath, and slight noises which did not formerly disturb me, upset my nerves dreadfully. If I had any energy I really didn't realize it. I took little interest in anything, and when those distressing headaches came upon me I was almost frantic. My digestion was bad and I had no appetite.

"Three or four doses of Tanlac made me feel decidedly better. I have used a whole bottle of Tanlac, and am improved in every way. My digestion is better, my nerves are in an excellent condition, and I have more color and feel stronger than I have in two or three years. Really, I have the most ravenous appetite, and my only fear is that my mother will be forced to increase my board bill."

Tanlac, the premier preparation, that brought such quick relief to Mrs. Beam and thousands of others, can be obtained in Stanford at Penny's drug store.

Mrs. W. T. Manuel and family wish to thank their friends and neighbors for the courtesies shown them during the illness and death of the husband and father. May God's richest blessings rest upon them for their comforting words during this dark hour of sadness. Also, we wish to thank Drs. Jones and Gibson for their earnest efforts to restore to health the one who will be greatly missed in our home. We can not express our appreciations for the deep sympathy shown to us by Bros. Livingston and McClary during this sad occasion. Thanking one and all again we remain sincerely, Mrs. W. T. Manuel and family.

R. S. EUBANK.

The man whose sympathies are with children, and whose greatest activities have been exercised in improving educational conditions for the country child. His County School Board law has made possible the education of country children, through the County High School, while residing under their parents' roof, and it conserves the people's money by bringing educational opportunity to them. This law has done more to remove the public schools from politics than any other one law on the statutes. The people are with Mr. Eubank in his race for the office of State Superintendent of Public Instruction, because his heart is with them, and his best efforts have been directed in their behalf. He has used his own time and paid his own expenses while securing the passage of measures which have benefited the public schools. (Adv.)
